Hito wa ikutsu no uso wo tsuite
Taisetsu na koto wo wasuresaru no darou

Amaoto ni, zawameku kigi ni
Seirei-tachi wa ima mo yadoru no ni

Hanarete kurasu hito
Kaeranu tooi hito

Namida ga afureru yoru wa
Naite naite shimaou
Snata no inochi wa kurikaeshi
Soshite ikasareteru...

Densetsu no fushigi na kemono mo
Shimetta tsuchi de iki wo hisometeru

Dare ka wo omou koto

Mie nai mono demo kitto
Otogibanashi ja nai
Watashi no karada wa yaoyorozu no
Kehai kanjite iru...

Subete no inochi wa kurikaeshi
Soshite ikasareteru...
