You could change your hair (if wa wanna)
You could change your chlothes (if wa wanna)
You could change your mind but that's all up to you
At least not today not today
Cuse if it's old then let it goin
Come tomorrow it would seem so yesterday so
yesterday
I'm just a bird that's already flown away laugh it of and
let it goin when you wake up it so yesterday so
yesterday I'm just a bird that's already flown away

At least not today not today
Cuse if it's old then let it goin
Come tomorrow it would seem so yesterday so
yesterday
I'm just a bird that's already flown away laugh it of and
let it goin when you wake up it so yesterday so
yesterday haven you learnt that I'm gonna be okay
Okay

If your over me then I'm alredy over you. if it's all been
done what is left to do. if you wanna walk come and
step ahed. if you wanna die I'm already dead. how can
you hang up if the on. if the light is of then isn't
onnnnnnnn

At least not today not today
Cuse if it's old then let it goin
Come tomorrow it would seem so yesterday so
yesterday haven't you learnt that I'm gonna be okay.
