Dieâ€¦
Scream out your name to the night
Scream out your name to the night

lâ€¦
Scream out your name to the night
Scream out your name to the night

Waking up, I feel this fire,
Burning through my veins in constant pain tonight...
So light the match, and burn this tragedy
It's a skin for prosperity
Light the match for payment tonight
Light the match to stop my life as I...

Scream out your name to the night
Scream out your name to the night

lâ€¦
Scream out your name to the night
Scream out your name to the night

Just run for your lifeâ€¦
Make sure you save yourself, just save yourself
Just run for your life
Make sure you don't look back, just run until you'reâ€¦

I hear you scream out,
We're here for you and we're still floating

I just want toâ€¦

I hear you scream out,
We're here for you and we're still floating

As lâ€¦
Scream out your name to the night
Scream out your name to the night

lâ€¦
Scream out your name to the night

Scream out your name to the night

!.

Scream out your name to the night

Scream out your name to the!

Night
