We're fighting for our lives
Tonight

If only we could stay
We're drawing closer to the
Light

But there's so much more to say
Do you remember the time in
Your mind when
This first made sense?

Did you decipher the signs
In your life as you
Realise what
It means to live?

If you look me
In the eyes one more time
I'm
Sure you'll find
All the
Answers that you've been searching
For

We're fighting for our lives
Tonight
If only we could
Stay

We're drawing closer to the light
But there's so much more to say

So we'll hold on, just hold on
It's not over yet
Hold on,
Just hold on
It's not over
Yet

Would you make up your mind
And decide what

Comes next?

I
Can see in your eyes that you'll
Die living for
What you
Believe

Let's roll the dice one
More time yeah just to find

We already knew the answers
Before
So here we are with our
Backs against the wall
And no way
Out, no way out
