You, you keep on breakin' up
And try and walk away and
crawl right back and stay
Right back and stay

You, you keep on breakin' up
And try and walk away and
crawl right back and stay
Right back and stay

Chorus (x2)
It's the jelousy
That its got u sayin
All those things to me
so now u think im paying
See eventually we'll end up together
always and forever
You, you keep on breakin' up (x5)
And try and walk away and
crawl right back and stay
Right back and stay

It's the jelousy
That its got u sayin
All those things to me
so now u think im paying
See eventually we'll end up together
always and forever

You, you keep on breakin' up
And try and walk away and
crawl right back and stay
Right back and stay
