To all of you sexual deviants that have perversely lost  
your way  
To all of you with loved ones that have been immorally  
led astray  
Fear no more, have faith in us, gods soldiers are here  
to appease  
We'll save you from immorality by helping to rid you of  
this horrid disease  
Bring the gays, the lesbians and bisexuals- we've got  
the cure  
Bring the queers, the transsexuals, and  
transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick-  
we've got the cure  
Change your ways, ignore your instincts, repress your  
feelings- sin no more  
This disease can now be treated with god's help these  
sinners can be cured  
And traditional Christian gender roles can be forcibly  
restored  
But just like with alcoholics, all of our efforts can't  
succeed  
If they'd rather live in denial and refuse to get the help  
they need  
Bring the gays, the lesbians and bisexuals- we've got  
the cure  
Bring the queers, the transsexuals, and  
transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick-  
we've got the cure  
Change your ways, ignore your instincts, repress your  
feelings- sin no more  
People are not born this way like these gay rights  
activists suggest  
We've conducted our own  
"impartial" studies and have  
determined that we're correct  
It's an unnatural, corrupt behavior that threatens  
spirituality and health  
We can cure these sexual deviants if they're willing to  
help themselves  
Bring the gays, the lesbians and bisexuals- we've got

the cure  
Bring the queers, the transsexuals, and  
transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick-  
we've got the cure  
Change your ways, ignore your instincts, repress your  
feelings- sin no more
