You must hate me because
I am the typical boy
When I forget an important date,
Not much room left in my data base.

You must hate me because
I am the typical boy
When I had to stay but I walked away,
Or I couldn't hear what you had to say...

PRECHORUS
Sorry when I was heartless,
Oh when I was senseless,
But should u know that u are too...

CHORUS:
Just the typical girl
Every lady's a world
A little too complex Oh oh oh oh
If I choose up, u go down
If I turn left, u go right
U make it hard to understand what u want.

You must hate me because,
I am the typical boy
I know I promised I'd phone u back,
Forgive I couldn't miss the game

All u ask for is attention
Can't u see u are my obsession?
U're my everything, incomparable
Guess I am like this, I'm unchangeable

Sorry when I was heartless,
Oh when I was senseless,
Don't u know that u are too! Oh!

Just the typical girl
Every lady's a world
A little too complex Oh oh oh oh
If I choose up, u go down
If I turn left, u go right

U make it hard to understand what u want.

Imagine a world where u
Do all the things ur way
How boring it would be?
All I know it's You I love...

Just the typical girl
Every lady's a world
A little too complex Oh oh oh oh
If I choose up, u go down
If I turn left, u go right
U make it hard to understand what u want.
You're the girl That I want
U're the queen of my heart
And can't live a day without you!
