{Everyt'ing you want}

You know I'm a freaky motherfucker! Everything?

{Everyt'ing you want}

We gon' let Shay hit that hoe first.

{Everyt'ing you want}

Yeah, yeah, Shay, you gon' hit that hoe first.

Get on that hoe, Shay! Yeah!

Verse 1: AK Shay

Hey miss lady, what you gon' do?

I got a lil' somethin' I wanna ask you

Runnin' 'round town, you're a nympho

Won't you suck my dick, and suck it slow, uhh

Let's get n' go straight to the hotel

Cat stay wet, you don't need no gel

Damn, girl, I heard you're a freak

I'ma fuck ya ass 'till the end of the week

A girl like you, I know you ain't shy

Cut ya ass up like you're cuttin' a pie

Bend it up nice and turn it up right

Like the feel of rubber, gettin' fucked all night

You must like it slow, uhh, so gimme slow head

Let's fuck on the floor, I'm tired of the bed

If I call my crew, you'll fuck them too, huh?

{Everyt'ing you want} Ahhh yeah!

Freak Nasty:

Check this out, baby, what about fuckin' me and my

girl?
{Everyt'ing you want}
See, I like to hit it from the back, can I do it like dat?
{Everyt'ing you want}
What about fuckin' my boy D-Bo, would you do that?
{Everyt'ing you want}
What about me fuckin' you and you suck my boy' dick?
{Everyt'ing you want}
Ohh - AHH YEAH!

Verse 2: Freak Nasty

You said everything I want, anything I need
When we first hooked up, you was eager to please
Now it's "Hold up, freeze!", you straight-up tease
You want a nigga like Freak on his knees?
What's up your sleeves? Tricks, I seen,
Got a nigga on prime time live TV
Just you and me and your cousin Trina
Live on the set of the Jerry Springer
I was glad to meet her 'till I shook her hand:
I found out your cousin was really a man!
Nigga named Tyrone givin' you the bone?
Fuck that shit, you shoulda' stayed at home
Told me on the phone, you and I were alone
But I got a surprise of my very own!
Yo Simone, tell your daughter what you gon' do!
{Everyt'ing you want} Fuck yo' mama, bitch!

Freak Nasty:

Check this out, baby, what about some anal action?
{Everyt'ing you want}
You know how I like that real sick, huuuuuhhhh!!!
{Everyt'ing you want}
Uh huh, what about yo' girlfriend and my girlfriend?
{Everyt'ing you want}
What about, them two and uhh, my boys?
{Everyt'ing you want} I'm a freak.
