And now (and now)...  
We will get familiar  
With the sounds of...  
Bei Maejor!

Yo, yo, yo, yo, what's up man?  
Y'all I got this crazy story for real  
Y'all ain't gon' believe this  
What's it about?  
Uhh...  
I don't know  
(What happened?)  
Uhh...  
(What happened?)  
Oh..  
(What happened?)  
I don't know  
(What happened?)  
I don't know  
Look, this is real talk  
I swear it's all true  
I'ma to lose my mind  
Don't know what to do

I got a little story  
Excuse my accent  
But listen up  
You will not believe what happened  
I woke up this mornin'  
'Round 10:15  
Kinda pissed off  
I was havin' good dreams  
Went to the kitchen and made some breakfast  
Reached for my phone  
And I had some texts  
One from my sister  
Her name's Alexis  
One about a show I got-a do in Texas  
'Nother one from a lady who knows my baby  
I found it quite odd  
It was very crazy  
Can't tell you how they know each otha

Put it like this...  
Look they know each otha  
Add on the fact that she's clearly married  
And her husband  
He is very scary  
I heard that one time last January  
He shot a man dead tryna talk to Sherry  
See Sherry is his wife  
That's the one who text me  
She send me smiley faces, say she can't forget me  
And I could not resist when she tried to tempt me  
So we went and had wine 'til her glass was empty  
I left out swiftly  
'Fore he came home  
Next thing I know she blowin' up my phone  
Sayin' that she wanna see ya boy later on  
I know it ain't right but it don't feel wrong

Uhh... What...  
Aye yo Bei Maejor  
It seems like you got yourself in a bit of a pickle  
But I'm still a bit confused  
I still gotta question  
What happened?  
I don't know

What happened?  
I don't know  
What happened?  
I don't know  
What happened?  
I don't know  
What happened?  
I don't know  
This is real talk  
I swear it's all true  
I'ma lose my mind  
Don't know what to do

Now the story goes on and on and on and on  
She asked am I scared of him and I said naw  
(Stop lyin') Straight lied  
But I played it off cool  
Played it off smooth  
Man you know how I do  
Remember this lady  
She knows my baby  
And that is kinda odd  
Yup, very crazy  
I can't tell you yet how they know each otha  
But put it like this

Look they know each otha  
Now my real girlfriend keeps callin' callin'  
Cryin' on the phone  
Straight bawlin' bawlin'  
I'm thinkin that she knows what I been doin' all day  
False alarm she said the dog ran away  
Unh  
And I could care less about an animal  
Hit the other line it's my homie Shanamo  
What's up? Yeah we still goin' hoopin'  
Know I'm gon' ball 'cause I'm really good at shootin'  
Click back over and said I miss her  
Can't wait to see ya I'm dyin' to kiss ya  
Some may say I am very trifling  
But this new girl she was so exciting  
And this next part is quite a shocker  
The story gets shakin' up like maracas  
So pay attention but excuse my accent  
And listen up  
You ain't gon' believe what happened

Nah man so...

Just...

Man the story gets so crazy right here

I, I don't think y'all ready

(What happened?)

I don't know

(What happened?)

I don't know

(What happened?)

I don't know

(What happened?)

I don't know

(What happened?)

I don't know

Just, this is real talk

I swear it's all true

Bout to lose my mind

Don't know what to do
