Some more champagne please

[Chorus:]

Yeah yeah selling like a good night
Niggas start to party like this
Grab a cup, grab a glass
After that I [?] hey hey hey hey
Let's make a toast to the good nights
We gonna start to party like this
Grab a cup, grab a glass
After that I [?]

God damn look at you
You're baggin you show what chasin wolves
Now for [?] might be your [?]
Uh God damn good night
Little breeze from the water feel good right
Sipping on from other [?]
All because we raise fun like a teledon
Floss in the game why a nigga [?]
Pocking on my grant we make sure [?]
Rolling down town with the [?] a couple danze
Me all from me straight and what
Make [?] came front
Head it to the front and I ain't even know what's up
Telling show time and I say what's up

[Chorus]

Yeah God damn look at you
Sexy in the [?] you're beautiful
Your physic your [?]
Uh you might be my future baby mama
Uh [?] falling up what a compliment [?]
