Yeah yeah  
Yeah yeah yeah  
Yeah yeah yeah  
You look just like heaven  
When I seen you on the train today  
I couldn't tell you nothing  
Got a million words I wanna say  
You were smiling at me  
Sitting with another guy  
And I can't stop comparing you to an angel in the sky,  
yeah

You're beautiful  
You're beautiful  
You're beautiful it's true  
I saw your face in a crowded place  
And I don't know what to do  
Cause i'll never be with you  
Yeah yeah  
Yeah yeah  
Yeah yeah  
Yeah yeah

Cupid don't do this  
Put the arrow down and walk away  
Don't make me look stupid  
I say the things I was gonna say

I see you're taken  
I see you got a man  
So why am I falling  
I don't understand no  
I wish I could hold your hand oh

You're beautiful, yeah  
You're beautiful  
You're beautiful it's true  
I saw your face in a crowded place  
And I don't know what to do oh baby  
Cause I just can't be with you

Woah

Woah  
Woah woah ah  
Woah wah ooh

You're beautiful  
You're beautiful  
You're beautiful it's true  
I saw your face in a crowded place  
I saw your face in a crowded place  
Yeah  
And I don't know what to do  
Oh oh  
Cause i'd like to be with you
