Boy come again  
Want me to stay home alone once again  
Me staying home while you hang with your friends  
Me not do that again  
You try to lock me up

Why you just have all the fun  
No no not me  
Handcuffs of let a gril be free  
You can't control them girls let them go x2

Them wild girld them sexy girls them girls on the floor  
Cause girls gon be girls you should know  
I am calling all ym girls on the floor  
I am calling sexy girls on the floor  
You can't control them girls let them go  
Cause girl gon be girls you should know
