All the hater kids who don't like my shit you better run
better run out run my gun
All the hater kids who don't like my shit you better run
better run faster than my bullet

Tell me why they mad for,
I'm just doin' what I love and havin' fun
But you know,
It's hard for them to see me ball
They say that hate is their new love,
But I don't feel love at all.
See, I'm just livin' positive
Livin' off my gifts
Tryin to change the world
Trying to help some little kids
Havin fun hangin with my G's
Live for the nights like these
Ttttryin to pop off no E
Pop, pop, pop if you hatin on me

All the hater kids who don't like my shit you better run
better run out run my gun
All the hater kids who don't like my shit you better run
better run faster than my bullet

Where would they stop bangin me
I'm just tryin to stack my paper, get my friends out the
street
I know you would rather see me broke
O it's the ones who knows the least is always talking the
most
I just keep pullin up foreign
Get my bread off tourin
Skype on the plane
Got money on the brain
Ya'll really not that important
I love my city I love my fam
I love my n****s I love my fans
I love a good time with a freak
Whys jealousy make you hate a G

All the hater kids who don't like my shit you better run

better run out run my gun
All the hater kids who don't like my shit you better run
better run faster than my bullet
