i'm good, i'm good,
ohh want you, oh watch, oh watch your move,
watch your dance
she says she never met a guy so flashy
baby this is true how are you fantastic
i'm gonna make your body flip around gymnastics
baby what your .. if you don't ...
she told me that she's ..to the city she just woke up with
a man,
trust is some louie that .. from japan
just a got a ..looking like an angel
fly just... on a halo.

chorus:

i said baby if i could i would take you to my ..
get you all alone girl you swear you hit the lotto.
baby if i could i would take you to my crib
and show how i live girl we're loving like this.

...

i said baby if i could i would take you to my ..
get you all alone girl you swear you hit the lotto.

i do it to you, baby girl if you ..your leg
...watch out or i'ma break your ..

chorus:

i said baby if i could i would take you to my ..
get you all alone girl you swear you hit the lotto
baby if i could i would take you to my crib
and show how i live girl we're loving like this.

...

i said baby if i could i would take you to my ..
get you all alone girl you swear you hit the lotto, the
lotto.
