[Chorus:]

Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy

They say... and paper call me paperboy,

Straight to the,.. straight, straight to the money, boy

Straight to the,.. straight, straight to the money, boy
They say... and paper call me paperboy.

I'm shining like the lightning... like the thunder,..
... enter for,.. the swag is so wonderful,..
Girl you're so wonderful, like the way you get them,..
I know you feel me, but I feel like I'm untouchable,
... on the shaves,.. of a buffalo,
I quit them on my face, and just like a buffalo,
It's camouflage when I... for the bucks, you know,
Even if you're wining or losing,
You're cashy or trashy, you're major or minor,
There's no one between,
You know I'm wining, and I'm cashy,
Hey Bei Maejor, never mind, let's go get this.

Cash rules, everything is around, scratch that,
Cash rules everywhere around me,
And Christ rules everything around me,
Is a such a blessing to be tight in more than your
account,..

[Chorus:]

Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy
They say... and paper call me paperboy.
Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy
Straight to the,.. straight, straight to the money, boy
They say... and paper call me paperboy.
A aa.
