I sit alone, waiting for the phone to ring  
But you don't call  
And I don't know where you've been  
'Cause things have changed  
Our hearts have rearranged  
And through the pain, the love has gone astray  
And I know that I caused the light to die  
And it kills me because I'm guilty

And oh I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him steal your heart  
And all my energy  
I'm powerless  
Oh I'm powerless, yeah

So I walk alone and think about all the days  
You used to walk this very same path with me  
Then I look up 'cause the light is falling down  
I wish that I could be one with the ground

And oh I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him take your heart  
And all my energy  
I'm powerless

And I don't know what to do  
When my power source is you  
And the only thing that can charge me up  
Is to have a piece of you  
And I'm lighting candles now  
Because the lights have all go down  
I don't know where to go  
I gotta get control

And oh I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him steal your heart

And all my energy  
I'm powerless

Oh I'm weak without you  
I just can't go on no, no  
And now I, I start to fall  
Do do do do  
I'm powerless
