(Feat. The Hype)

She sexy, she fine  
So sexy so fine, she my sexy lil something.

Chorus:

No matter what I'm doing I'm be thinking about you  
Gotta nigga dreaming about the things that you do  
'cause you're my sexy lil something, yeah  
you're my sexy lil something.  
I just wanna give it to you all the day and time  
'cause every time we do it girl I .. on fire  
'cause you're my sexy lil something  
you're my sexy lil something.

We thought we ever turn to this  
Every time you .. begging for another kiss  
'cause you're my sexy lil something  
Compared to you there's nothing  
Every day I'm waking up next to you  
Thinking to myself how my dreams did come true  
When I'm in the studio I'm always thinking about you  
Got me always thinking about the crazy things you do.

Chorus:

No matter what I'm doing I'm be thinking about you  
Gotta nigga dreaming about the things that you do  
'cause you're my sexy lil something, yeah  
you're my sexy lil something.  
I just wanna give it to you all the day and time  
'cause every time we do it girl I .. on fire  
'cause you're my sexy lil something  
you're my sexy lil something.

Never thought I'll do it but you know I had to color up,  
color up  
Follow what...like it's up  
we met the other day and my name was the Hype  
if I say you were lil somethin' must have been the  
delight

the first time I lay .. on you girls it was a fact  
I had to be with you and no other be exact  
I'm not that type of guy that wants to be one night  
I wanna keep you around well if that's all right.

[2 x Chorus:]
