Voulez-vous coucher avec moi?
Voulez-vous coucher avec moi?
I'll make you say

'Cause you're so pretty in the face,
Got me in a daze,
I gotta get you home
'Cause I want you bad
I've been waiting all day
So let me get a taste
Gonna feel so good that
I'll have you speaking in French

Voulez-vous coucher avec moi?
Speaking in French
(repeats)
Voulez-vous coucher avec moi, ce soir?

She got me speaking French without any translator
Just like I got her cummin' without any vibrator
She said she's in love with my American accent
But not nearly as much as i am in love with her foreign
assets
I am talking asses that should be rated GGP in the
sex room gettin ludacris DTP
My tongue crasinates, yamaguchi figure skates
Then I break you with my dick mixin with martin gates
I dick it down while i give her the anal sex
Got her bragging like DJ Khaled screaming "We the
best"
The best we are, she's my little shining star
I am just strumming on the bridge like a fucking guitar

'Cause you're so pretty in the face,
Got me in a daze,
I gotta get you home
Cause I want you bad
I've been waiting all day
So let me get a taste
Gonna feel so good that
I'll have you speaking in French

Voulez-vous coucher avec moi?
Speaking in French
(repeats)
Voulez-vous coucher avec moi, ce soir?

It's been a year my dear since our last arrangement
Time apart the distance plus sexual estrangement
Needless to say that we've been fighting a lot
But make up sex is the best and we've been making up
a lot
I kiss your neck as my hands just improvise
whisper in your ear and watch them pretty goosebumps
rise
slow motion seduction I aim to please
got you bitin' your lip quiverin' hips and trembling
knees
She tell me to speed it up
But the song tells me to slow it down
She hops on top for control
As she pins me down to the ground
She whispers something in French
I can't comprehend
Something about me, her and playing this song again.

'Cause you're so pretty in the face,
Got me in a daze,
I gotta get you home
Cause I want you bad
I've been waiting all day
So let me get a taste
Gonna feel so good that
I'll have you speaking in French
