Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how your dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro,
Special special,
Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how you're dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro
Fly as you want to be,
Never been a wannabe,
Can I stick around,
See the woman that you gonna be,
Working all night,
Cause in the day you're still a student,
Keeping to that check,
Girl I love the way that you do it,
6 feet of cupery,
Blue box in your jewelry,
Come and see the world,
You can tell that this ain't new to me,
Shopping in my line,
You like, oh my God I want those,
Once you try them on,
I say, oh my God I love those,
Get them if you want,
I came up a couple bucks,
Niggas wouldn't hit me back,
Same niggas hit me up,
That's enough, back to you,
Girl you sexy and you cool,
You don't even know it's true,
That's what makes you beautiful,
With your hair up in a bun,

And your feet up on my lap,
You were sipping pineo,
I had a cup full of the yak,
Had my hands all on your front,
But my hat was all to the back,
And as soon as we was done,
You was hollerin' running back,
Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how you're dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro
Special special,
Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how you're dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro
Prettier than Jada P,
Come and have some kids with me,
We can name her Willow,
I ain't playing,
I'm for real though,
But we gotta hurry up so she can grow up with Blue Ivy,
Like a big sister, keep her outta trouble probably,
Gotta keep it real,
That's the only we keep it,
And I love you cause you G
and you don't keep no little secrets,
When them niggas try to holla,
You just tell them niggas beat it,
Uh uh, I'm Mike Jack, they walk away defeated
Show me someone better,
Where she at I gotta see it,
See it with my eyes,
Cause right now I don't believe it,
You turning up the heat,
Cause you a little bit anemic,
And I prefer it cooler,
But you love it so I leave it,
Uh uh, you got it girl,
You really picture perfect,
You done had it hard
So when you get it you deserve it,
You deserve a palace with some grapes,

A couple service,
Uh don't let them tell you, you ain't worth it, uh uh uh
Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how you're dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro,
Special special,
Special special,
Look at how your neck glow,
Look at how you walk by,
Look at how you're dress flow,
Special special,
Ooh, you so perfecto,
Love the way you throw it back,
Baby you so retro
