Still ballin

I heard it say life is a puzzle
I guess we just solved it
Come from the struggle
But now we're just ballin
Sticking to the plan
Watch the money fallin
Niggers ain't seen the kind of money I am talking
Hustling in the hood and the phone in my,
I am waiting on a bad chick hurry up cha cha
Pretty girls man I hadn't have nothing like ..
Remember everyone I am hear ,
Hustling like the nigger on the corner .. shoe
Singing on my people who supported they do
When I am on my ex-girlfriend so friendly have you
Fresh off the plane
Fresh never plane..
Skinny as hell but thinking off no shame
Bring .. no pain no game

Still ballin

And these girls keep callin
Tell wonderful girls who fdon't seem like the rest just
fallin
Probably cause I am just ballin
Stake dollars on dollars with some money on top
Even if I quit than my money won't stop
Go ahead say what this ,
So it's not tic tac popping in my rest watch
Voice still perpetual cares like a vegetable
Watch what you're bringing do your girls on my
testicles
Say she likes the way I think
She say I am intellectual
..like a festival any time I hit .. sexual
Everytime we're on the plane we are a professional
..air week 7 no chick .. next to blow
.. I only have it when it is raining

Still ballin

Take my chick to the mall
These other girls keep crawling
Still ballin

Thanks to feel
