I'ma wife yo ass up.

See I've met a million girls,
A million different faces.
All over the world,
A million different places.
When I saw you looking like a star,
I said yeah, yeah, yeah!
So I jumped up out my whip,
And started walking closer.
Didn't know your name,
So I tapped you on your shoulder.
Hit you with my number and asked you to come over,
You said yeah yeah yeah!

Baby I ain't telling no lie,
I ain't never seen an ass like that.
It's so big but it sits so right,
So round but it's still so fat,
And it got me like,

Ey pretty girl,
Ey sexy sexy lady,
The way that that booty move make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.
Ey pretty girl,
Ey sexy sexy lady,
The way that that booty drop make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.

Up in the club dancing to them slow songs,
She show me love,
Said baby this is yo song
I'm like wassup,
Are you trying to get freaky?
She said yeah, yeah, yeah!
I get my drink and then proceed to 2step,
Then get right to it,
Cause we only got a few left.

So grab your girls and let's make it a party,
She said yeah, yeah, yeah!

Baby I ain't telling no lie,
I ain't never seen an ass like that.
It's so big but it sits so right,
So round but it's still so fat,
And it got me like,

Ey pretty girl,
Ey sexy sexy lady,
The way that that booty move make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.
Ey pretty girl,
Ey sexy sexy lady,
The way that that booty drop make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.

When you take it up high to the top
Make a n*gga say oh, oh
And then you take it down
Couple of inches off the ground
Shawty go go

Ey pretty girl,
Ey sexy sexy lady,
The way that that booty move make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.
Ey pretty girl,
Ey sexy sexy lady,
The way that that booty drop make me go crazy!
I'ma wife yo ass up,
Wife yo sexy ass up.
