Bethlehem turns in tonight
A town led up by candle light
All the children tuck in tight
Bethlehem turns in tonight

The angels start their whispering
About the one they're welcoming
No one knows what's soon to be
As the angels start their whispering

Chorus
They sing glory
In the highest
Come now our King
We've been
Waiting
Come now our King

Silence falls
Yet once again
The shepherds leave for Bethlehem
Baby's cry soon welcomes them
Silence falls yet once again

They sing glory (glory in the.. 2x)
In the highest
Come now our King, yeahiii
We've been (we've been waiting 2x)
Waiting
Come now our King

Ooooh

Glory, Oh glory
You came here to save
Ooh Lord, we've been waiting so
Come now our King

Now my night has turned today
An empty manger, empty grave
Baby born so I could say

Now my night has turned today

Ooh, We sing glory (glory in the.. 2x)

In the highest

Come now our King, oh ooh

We've been (we've been waiting 2x)

Waiting (waiting for you 2x)

Come now our king

Ooh ooh, Come now our King.
