Nobody's growing old together, we've made it easy
just to quit
Love has become a negative percentage, why do we
bother to commit
We've got a long list of excuses, ways we try to justify
Well, I propose to you the truth is, marriage does not
have to die

CHORUS

I know you're feeling like it's falling apart and it can't
go on anymore
But God is a God who knows how to heal so just give it
up to the Lord
And He will restore

He said with this ring I promise, and with I do she said
forever
But right now if they're being honest they don't know if
they'll stay
Together
Let's fast forward to the future after struggling on their
own

They finally figured out they needed Jesus in the
middle
Now I'm watching God rebuild their home

CHORUS

The enemy tries to come and divide
Trying to get us to give up the fight
But darkness will always lose out to light
'Cause we've got the power of Christ on our side

I see you growing old together
I pray I find a love like yours

So if you're feeling like it's falling apart and it can't go
on anymore
God is a God who knows how to heal so just give it up
to the Lord
And He will restore

Like it was before
You may have strayed off course
But He will restore
