Sugar is sweet  
But not as sweet as my baby  
Honey's a treat but it  
Can't compete with my baby

Cause they know I found  
(Know I found) know I found  
The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven

Blue skies are fair  
But not as fair as my baby  
Diamonds are rare but they  
Can't compare with my baby

If I lose her  
I sure would lose a lot  
So I try to please her  
Cause I know I got  
(Know I got) know I got

The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven

Ooh, I love her so  
Ooh, I'll never let her go

No one can steal this  
Love I feel for my baby  
Others appeal but they're  
Not real like my baby

She's a lot like a miracle to me  
And if she's not an angel  
Then she's got to be  
(Got to be) got to be

The sweetest thing  
This side of Heaven  
The sweetest thing  
This side of Heaven

Honey's a treat but it  
Can't compete with my baby  
Diamonds are rare but they  
Can't compare with my baby

The sweetest thing this side...
