Ooh ooooh ooh ooh ooh
ooh ooh ooh
Ooh ooooh ooh ooh ooh
ooh ooh ooh
Ooh ooooh ooh ooh
ooh ooh ooh ooh
Ooh ooooh ooh ooh
ooh ooh ooh ooh

Your cheek so warm it's wet
My spine's so dry it's cracked
Within a tiny home
Tornado of drugs I own

I know that you never sleep
Cold fusion seen combat
And oh how the sun will leak
When I race cars in New England
And I saw you on the street in two years, Chicago
And serpents they covered me
when I screamed out
I screamed out

And I'll marry you right now
Just scream and cut this crowd
And I'll put this damned thing down
Or throw my body out

I know that you never sleep
Cold fusion seen combat
And oh how the sun will leak
When I race cars in New England
And I saw you on the street in two years, Chicago
And serpents they covered me
when I screamed out
I screamed out
