shared glasses and cigarettes  
theres a lock .. up inside of me  
and i have so many regrets  
this isnt how things use to be  
and .. never satisfied  
guess what i stop f\*cking tryin  
guess up and guess you didnt know your..

but its always you  
im always wrong anything like you  
and i always got aware with you  
and i lose yeah yeah  
im a sell it dude gotta keep coming back to you  
cause its felling like deja-vu  
my head spinnin around and got me sayin

chorus:  
i i i  
your way to complicated  
i i i i cant no longer take it  
i i i i were no good lets just base it  
i i i i cause your to complicated

here such a snobby girl

used to think you were a queen  
damn shawty did rain on my parade  
same old sill games you play  
this is such a waste of time  
im starting to think that your insane
