(Verse 1)

I got money,
Everything that i ever wanted,
Never thought what i might need, need, need.
Ain't it funny, how i spend my whole life running,
Reaching for the sky high I'm coming down, with
nothing.

(Chorus)

It feels like I'm 4 years old, all over again.
Cause I just running fast, should be walking.
Saying when i grow up, you gonn' see.
I'm gonn' bee comfortable and happy.

(Verse 2)

I Guess i was faking, just look at all the money i'm
making,
Still nothing can compare to the thought, of, love.
But it's taking, too much time to see i'm wasting,
Reaching for the sky high I'm coming down, with
nothing.

(Chorus)

It feels like I'm 4 years old, all over again.
Cause I just keep running fast, should be walking.
Saying when i grow up, you gonn' see.
I'm gonn' bee comfortable and happy.

(Verse 3)

I'm so alone, i feel so alone, so alone in this world.
Got everything that i want

(Chorus)

It feels like I'm 4 years old, all over again.
Cause I just keep running fast, should be walking.
Saying when i grow up, you gonn' see.
I'm gonn' bee comfortable and happy.
Whooow Whooow Whooow.
