Thought I was gonna say some corny ish HAHA...nah

A yessir, it be that, it be that

It be that breezy nigga near a millie

here and million there

Selling out stadium's million chairs

Stepping on and off stage killing em'

I got a million pairs of them all white a million Airs

Ima beast every competition come please

Lock em' up, Lock em' up

Just put em' on freeze

Long ice I'm doing things that rappers don't like

And I am making (a milli, a millie)

And im making (a millie, a millie)

Getting money just throw it up and watch it

And when it comes down it's like magnets in my pocket

DAMN I got it

Purple and green diamonds they swing from my chest

Bigger and bigger man I think the Hawks on my neck

A billion Jay-Z, Weezy, Breezy

So what a million YEAH

Singing \*\*gga just chill ha-ha

Cause I'm I'll
