Let the beat drop? (spoken)

Boo?
tell me what you want me to do
Do you want me to turn you loose
I?
Aint like no other guy
Don't play games or lie
I'll try?
To help you unwind
Later you will find

Hook:
Now all I wanna do,
Is just Kick it wit you
And if need someone true
Just holla at ya dude
If you want romance,
We can slow dance
If you want some heat,
We can just hit the sheets

Stop?

Playing hard to get,
This face you wont forget
Now,
Or never is what going on
Got 'til to the end of this song
By then?
Another girl will snatch me up
And you'll be outta luck
(Hook)

(bridge)
Why do you keep on pretending?
You aint looking at me
In the corner of my eyes I can see
You want this don't let it pass
Got to the count of three
To leave with me
1-2-3

(repeat hook until fade)
