Chorus)

I be up in mars
I be up in mars
I be so fly,I-I-I can touch the stars
I be up in mars
I be up in mars
when you see that spaceship, yup that's my car

Catch me on another planet
Catch me on another planet
Catch me on another planet
I be up in mars
I-I-I'll be on another planet
I be on another planet
I be on another planet

(verse 1) Jawan Harris

I be in the mall
I-I-I'll be in the mall
with the new space jams
never seen before
know what I got on
can't find it in the store
bout to blast off
scotty beam me home
the spaceship i'm ridin' in is sittin on that chrome
so why don't you get on up in here & push that button
& we can be gone
Ain't no lamborghini faster than what i got
Ain't no maserati cleaner than what i got

1-2 (planet) 3-4
zoom past the moon and about 5 more
1-2 (planet) 3-4
what'chu waiting on girl, lets go

(chorus) Chris Brown

I be up in mars
I be up in mars
I be so fly,I-I-I can touch the stars
I be up in mars

I be up in mars
when you see that spaceship, yup that's my car

Catch me on another planet
Catch me on another planet
Catch me on another planet
I be up in mars
I-I-I'll be on another planet
I be on another planet
I be on another planet

(verse 2) Chris Brown

lets go back to '88
b-b-back to '88
air Jordan 3's white/black smith gray
I'm reaching for the stars
so you know just how I play
blasting of like a rocket (N.A.S.A)
the time machine I'm riding got them Lamborghini
doors
so why don't you get up in here & pick that date so we
can just go

Ain't no Ferrari faster than what I got
Ain't no Porsche gt cleaner than what i got

1-2 (planet) 3-4
zoom past the moon & about 5 more
1-2 (planet) 3-4
what'chu waiting on girl, lets go

(chorus) Chris Brown

I be up in mars
I be up in mars
I be so fly, I-I-I can touch the stars
I be up in mars
I be up in mars
when you see that spaceship, yup that's my car

(Jawan Harris)
Catch me on another planet
Catch me on another planet
Catch me on another planet
I be up in mars
I-I-I'll be on another planet
I be on another planet
I be on another planet

(verse 3) Jawan Harris

baby lets go into the stars
we can go farther than mars
across the solar system
all through the galaxy
lights up your Jordan's baby
ride with me
hotter than Venus
colder on Pluto
we can do it bigger than Jupiter
E.T baby, come on
earthlings hotter, they like Tarzan
tell your momma you in love with a martian

I be up in mars
I be up in mars
I be so fly, I-I-I can touch the stars
I be up in mars
I be up in mars
when you see that spaceship, yup that's my car

(Chorus)

Catch me on another planet
Catch me on another planet
Catch me on another planet
I be up in mars
I-I-I'll be on another planet
I be on another planet
I be on another planet

I be up in Mars
