you're a breath of fresh air
i need you without you i can't live
you're in cahoots with my heart
cuz the way you stole it
gotta be an inside job
you're a diamond short of perfect
but your body still sparkles
i'm on a knee holding your left hand
i know where that missing diamond should go-o-o-o-o-o-
o
is there a magical garden where more of you grow-o-o-
o-o-o-o
i didn't think so

feel like i just won the lotto
i've got a one in a million you (ooh..)
god made you from the earth and he broke the mould
there will never be another you, oh
never be another you, oh
never be another you

now i can spend my whole life
searching for something that's better than my dear
but thats a waste of my time
cuz what's better than perfect love
nothing, thats what my point is
you can stand in front of a mirror (mirror, no)
and there wouldn't be a reflection, no
cuz there's only one of you
and that's why i'll never let you go-o-o-o-o-o
is there a magical garden where more of you grow-o-o-
o-o-o-o
i didn't think so, no

feel like i just won the lotto
i've got a one in a million you (one in a million you..)
god made you from the earth and he broke the mould
there will never be another you, oh (you... you..)
never be another you, oh (you.. oh you..)
never be another you

i'm a firm believer in never say never

but i can say i never found another you
they can say whatever, and it don't even matter
cuz i know our love is true
x2

(yeaaa..)
feel like i just won the lotto
i've got a one in a million you (youuuu.. yeah! ohhh..)
god made you from the earth and he broke the mould
there will never be another you, oh (youuuuuuuu-
ouuuu)
never be another you, oh (youuuuuu-ouuu)
never be another you

whoa-oa, whoa-oa-oa..
whoa-oa, whoa-oa-oa..
whoa-oa, whoa-oa-oa..
oh..
there will never be another you
x2
