I just can't live anymore like this  
My heart just opened up the door again  
just watch me fly as I spread my wings  
don't ask me why 'cause there are too many things.

And now we're standing on the edge  
looking like here we go again  
it used to be old me but today  
I f\*\*k up as your friend

Chorus:  
As your friend, as your friend, as your friend  
I walk up as your friend,  
As your friend, as your friend,  
I walk up, I walk up as a friend  
As your friend, as your friend, as your friend,  
As your friend, as your friend, as your friend  
I f\*\*k up as your friend.

And now we're standing on the edge,  
Looking like here we go again  
it used to be old me but today I f\*ck up as your friend

I just can't live anymore like this  
My heart just opened up the door again  
just watch me fly as I spread my wings  
don't ask me why 'cause there are too many things.

And now we're standing on the edge  
looking like here we go again  
it used to be old me but today  
I f\*\*k up as your friend

Chorus:  
As your friend, as your friend, as your friend  
I walk up as your friend,  
As your friend, as your friend,  
I walk up, I walk up as a friend  
As your friend, as your friend, as your friend,  
As your friend, as your friend, as your friend  
I f\*\*k up as your friend.

(Iâ'ma f\*\*k that p\*\*sy)  
(Iâ'ma f\*\*k that p\*\*sy)  
(Iâ'ma f\*\*k that p\*\*sy)  
(Iâ'ma f\*\*k that p\*\*sy)  
(Iâ'ma f\*\*k that p\*\*sy)
