[Verse 1:]
Lately
More and More I Been Feelin Some Kind Of Way
And I Ain't Crazy
I Know You Got Those Texts From Me
(Got 'Em From Me, whoaa)
But It's This Thang
That We Been Goin Through
Is Somethin Wrong With You? (With You)
All It's Doing Is Makin Me Remember
How We Called It Quits
Girl I'm Too Young For This
When You...

[Chours:]
When You Turned Away From Me
Makes Me Think That I Should Jus Leave
Go Back To Bein The Same Ol G
Girl I Don't Wanna Lay Here Back To Back
Oh I..
Don't Want You Mad At Me
Snatchin The Covers
Actin Like You're Asleep
When You Know You're Up, nooo
Girl I Don't Wanna Lay Here Back To Back

[Verse 2:]
All Night Long
I Find Myself Tryna Get Away

And That Ain't Right, nooo
Lookin Through My Phone
Tryna Remember Her Name
That Would Only Make It Worse
We Try To Talk Through Our Problems
But It Takes More Than Words
Said It Don't Even Bother Me
But I Swear It Hurts
When I Said I Didn't Wanna Go Through The Same shit
This Is What I Meant, ohhh...

[Chorus:]

[Verse 3:]

I thought about it got
my bags now i'm bout to roll
you standing there screaming
PLEASE dont go
too late, (no excuses)
i swear i cant (do this)
dont wanna go trough this no more
Now i know what it means to really have it bad
How i layed in this bed now lookin' at your back (your
back yeah)
Oh girl (oh girl)
unless you can make me believe
that you gon' change for me (ohhh)

[Chorus:]

come On...
I Can't Deal With It...
Call Me Back...
