She wanna go with with me

But she don't know I'm tryin to take her back home with

She said I look like I taste good

And she wanna eat me alive

She lookin good in them new tar heels

Chill, I got all the girls checkin me

They know I'm a dog but they love my pedigree

Ha, just call me mr orgasm

And if you come with me I guarantee your gon have

Temporary plates on the Audi R8

Diamonds match what I'm wearing

She can't stop staring
