and pop it and make it roll im lovin this angle

and the way she move her body is amazing

(Ludacris Verse)

they call her big booty judy  
and she got the game wrapped up  
fluffy like pancakes mixed down and stacked up  
she'll make u wanna flirt she'll make you studder first  
sweeter than angie mama but i call her mrs  
butterworths  
hoe dont be quick to lookin good enough to sop her up  
with a biscuit  
so .... so southern playerlistic  
my cadillacs music shakin the frame just like her booty  
and when she walk past all the kids say "hey big booty

a\*s like a movie keep it rollin like the credits  
and she gets it from her mama yeah its all in they

to hold all that a\*s together she's a rebel na mean  
to get in and out of clothes she need a special made
