We thinkin' like 36, 24, 40  
That's about right

Judy got a booty from here to there  
Make a nigga smile from ear to ear  
Order 3 more bottles of that belvedere  
Then I point her out like you come here

You come here  
And you come here

Booty sittin' higher than a flight of stairs  
Some can make it clap  
Some really can't though  
Them Alabama girls said it's all in the ankles

Speakin' of ankles bent over and touch your toes  
And pop it and make it roll I'm lovin' this angle  
Hah, I love this view that I'm lookin' at

Dress so elegant, ass like the elephant  
Shorty got me harder than I've ever been  
So I'mma give it to like a motherfucking veteran  
Barbie so sick so this dick be the medicine

And I know her name  
She told me but all I heard...

Yeah, she make the club go crazy (crazy)  
And the way she move her body is amazin' (amazin')  
Yeah, she got me goin' insane  
And I don't even really know her name

I just call her  
Big booty Judy (aye) [7x]  
Big big booty Judy

Now, now, now Judy is her name  
I beat it out of frame  
She messin' with no bustas' or no suckers cause they  
lame

She drop it low and speed it up  
Other niggas squeezin' up  
'Cause when they see that ass  
Tell like "damn what you feedin' up"

Her, her, her body so ridiculous  
I kiss it when she ticklish  
Big booty world record  
You can find it up in Guinness

And no, no, no it's not a gimmick  
Shawty she the truth  
And she got a big donk (big donk)  
Ayoo

Damn girl I'm horny  
Hangin' out I want it  
Booty so big I can put ten bottles on it

I tell her hold this  
She got baby makin' hips  
So I pulled her pants down and gave her lingerie a kiss

Miss Parker, Miss Parker  
When you go let me (oh)  
Miss Parker  
She whispered in my ear right now  
Then me her and her booty all smile

Yeah, she make the club go crazy (crazy)  
And the way she move her body is amazin' (amazin')  
Yeah, she got me goin' insane  
And I don't even really know her name

I just call her  
Big booty Judy (aye) [7x]  
Big big booty Judy

Luda  
They call her big booty judy  
And she got the game wrapped up  
Fluff it like pancakes mixed down and stacked up  
She'll make you wanna flirt or make you stutter first

Sweeter than Angemina but I call her Mrs. Buttersworth  
[?] looking good enough to side her up with a biscuit  
So out casted so southern player -listic  
My Cadillac music shaking the frame just like her booty  
And when she walked all the kids say  
Hey Big Booty Judy

Ass like a movie keep it rolling like the credits  
And she gets it from her mama ya its all in the genetics  
So she got some strong genes  
But she got some strong jeans

To hold all that ass together shes a rebel know what i  
mean  
To get in and out of clothes she needs a special made  
tailor  
She gotta do squats and keep her special made prayer

And she needs an entertainer  
And i fit that description  
She text me twice at night  
And i fill up her prescription  
Luda

Yeah, she make the club go crazy (crazy)  
And the way she move her body is amazin' (amazin')  
Yeah, she got me goin' insane  
And I don't even really know her name

I just call her  
Big booty Judy (aye) [7x]  
Big big booty Judy
