Haa, got damn, you look so appaled  
My girl is the shit, your girl has no ass at all!  
Her booty is super thick, but her tummy is super small,  
And when she dance her booty swallow up her drawers.  
Yeah, buddy in the club I do my douggie,  
Bottle in my hand, me mugging like I'm ugly!  
Only models in my section, get 'em uglies way from  
me,  
And when they're be like, I just play dummy.  
And the party got 'em white girls rolling like wow,  
In the morning they'd be like where the fuck are my  
clothes?  
Please don't tell nobody cause I don't really do this,  
Sure, what you think I'm stupid  
I told her, just to call me dadaa  
But shawty spanish and she wanna call me poppa  
Or Papi never meant a nigger like me,  
I swept her up so I guess she had light feet

Chorus:

Can we make this an after party?  
Is your body all up in my hands  
Spinning round and round?  
Can we make this a nasty party..  
Set your body on mine, body on mine,  
Take me down, take me down!

Van's on, so I get my dance on,  
She said she fucked the whole crew I put my mens on  
I threw my money on the table, tell her to dance on it,  
I pull the monster out, she put the hands on it!  
Cool party Shawty going naughty  
Only fuck a rock star and them boys is riding harleys  
Bitch I'm on your camera no not icarly  
When she turn twenty one, I'mma drown her with  
bacardi  
Hmm, one fifty one  
Heart beating like a drum and my fist is kinda numb.  
Stop that shit, where the hatin comin from  
Are mad cause I got your girls face full of...

Chorus:

Can we make this an after party?

Is your body all up in my hands

Spinning round and round?

Can we make this a nasty party..

Set your body on mine, body on mine,

Take me down, take me down!
