aye aye aye my chris breezy aye i love you patricia  
parker from west haven ct i just wanted to say your  
amazing i know we havent seen eachother since  
virginia that was the best now i just want to say to those  
ladies out their fuck with her you fuck wit me i will get  
my whole family im not playing with you now im a real  
nigga that gets paid every day now to the fellas out  
there dont play with her heart now she told me that she  
has a new man in her life that she loves with all her  
heart and im pretty sure he loves her to from what she  
told me in those letters now you haters out there like  
them bitch ass nigga keep messing wit my girl imma  
come over there and and show you whos a real man  
now back in the day me and patricia aka tricia p ( i gave  
her that nickname) me and tricia p went to the dance  
studio everyday we use to dance together and come  
up with the best things ever now she could of came  
with me and became famous and been happy but she  
choose to be a normal kid and i give her props on that  
well im bout to go i will see ya later love ya tricia p
