Back to bring the beat
Give me my boombox
Bring it bring it back to the time when people liked
rhymes and... sound
I got that perfect beat
Give me back my... beautiful no strange cause...
If you love it
Tell the DJ I wanna it
Give me my boombox

Remember the days you had to be home from the
streets
You barely made it I came in a little late the movie...
breaking
Thinking I was terrible trying to do the moon walk from
a... wall
Damn I was crazy that made me who I am
It has the,,, that made us heavy
It was the... that capped me steady
Now things have changed not the same
I'm gonna have to bring it back

Back to bring the beat
Give me my boombox
Bring it bring it back to the time when people liked
rhymes and... sound
I got that perfect beat
Give me back my... beautiful no strange cause...
If you love it
Tell the DJ I wanna it
Give me my boombox

I thought I was so fly rocking my... to the side
But I was a B Boy yeah yeah
I was in love with the beat with go get them right
... It has the,,, that made us heavy
It was the... that capped me steady
Now things have changed not the same
I'm gonna upgrade

Back to bring the beat
Give me my boombox

Bring it bring it back to the time when people liked
rhymes and... sound
I got that perfect beat
Give me back my... beautiful no strange cause...
If you love it
Tell the DJ I wanna it
