Verse 1:

I just need one more dance  
and girl I hate this feeling but its not going away  
I think im in love witchu  
and I cant help myself  
cause this may be the only chance I've got with you  
and I know you gon show up

Bridge:

she likes all them stripper poles  
like takin' off her clothes  
and when you work that girl  
you stop my heart

Chorus:

she's got the perfect lips, the perfect body  
she's the life of the party, and she likes to party hard  
she's such a rock and roller but exotic  
she's the life of my party, she likes to party hard  
cause girl all your drinks on me  
livin' wild and free, tonight  
girl you change my life  
I hope you put your lips on me  
mama sprayin' drinks on me, tonight  
we gon' party hard

Verse 2:

cause it's seen through your eyes [?]  
and girl you might as well just say what you're already  
thinking  
cause we on the same page  
take me to ecstasy and far beyond  
show me how you're hella fun, baby [?]  
and girl we got all night yeah yeah

Bridge:

she likes all them stripper poles  
like takin' off her clothes  
and when you work that girl  
you stop my heart

Chorus:

she's got the perfect lips, the perfect body  
she's the life of the party, and she likes to party hard  
she's such a rock and roller but exotic  
she's the life of my party, she likes to party hard  
cause girl all your drinks on me

livin' wild and free, tonight  
girl you change my life  
I hope you put your lips on me  
mama sprayin' drinks on me, tonight  
we gon' party hard  
(shubidiwap dubiwap I wanna love you) can I  
(shubidiwap dubiwap) take your hand  
(shubidiwap dubiwap I wanna love you) can I  
(shubidiwap dubiwap) have a dance witchu  
(ouuuu) and when we touch, it's like my dreams can  
firework [?]

Chorus:

she's got the perfect lips, the perfect body  
she's the life of the party, and she likes to party hard  
she's such a rock and roller but exotic  
she's the life of my party, she likes to party hard  
cause girl all your drinks on me  
livin' wild and free, tonight  
girl you change my life  
I hope you put your lips on me  
mama sprayin' drinks on me, tonight  
we gon' party hard

.....

In my cadillac, movin' very fast,  
got it girl with that big ol' ass [?]  
and we're gon' oh honna gonna have a good time  
anything she wants she could get it  
cause my girl she be wit it [?]  
and I want her for the rest of my life  
I love to hear her say that she loves me  
I love it when she tells me she needs me  
when she looks in my eyes, ouuu  
it feels like I'm high, ouuu whoooaou  
it'll take a lot all I need is you  
to be the man for me, but I want it all  
and I'm willing to give you what I need  
baby I ain't scared to show you the freaky side of me  
sometimes I fight you oh but I love you wrong  
when you make love to me  
I love it hear he said that he loved me  
I love it when he tells me that he needs me  
when he looks in my eyes, ouuu  
it feels like I'm high, ouuu whoooaou
