We can jet
Believe it, I know
That you won't
And yes
There's a feeling, We Both
Need to know
Let us start now
It's that time
So lets travel and see the light

(And I'm)
Gonna take you out
Anywhere you wanna go now
(If you ride)
To the town
Where we both can party now

Drink in London
Dance in Paris
Let's Chase our love [x2]
Shout real loud now
Let them hear us
Let's chase our love [x2]

Night Night
Night Night
Night Night
Night....
Night Night
Night Night

Let's chase our love [x2]
Tonight (Night)
Night (Night)
Night (night)
Tonight (Night)
Night (night)
Night (Night)

This evening
We'll party
Til' morning

Let us start now
It's that time
So lets travel and see the light

I'll watch you shine (shine)

Drink in London
Dance in Paris
Let's Chase our love [x2]
Shout real loud now
Let them hear us
Let's chase our love [x2]
