Oh ...do you want me girl

Baby love how you been doing
Have you been naughty or nice baby
Tell me what are we doing
It's snowing... all this beautiful music
(just let it play, let it play)
And when I unwrap a present tonight,
you gonna be the one, (girl)
listen to me now

I want you to
oh you want me boy (take it off)
do you want me boy (girl Just kiss me),
Oh baby
(under the mistletoe)
And we can both say ... Christmas came today
And we can both say ... Christmas came today

Baby love, you know I'm hungry yeah
Your bra and panties real right
but girl I just wanna taste your cookies ...
(now simply we won't hear a sound)

I'm like oh no ... she come back like a yo-yo
Girl I don't make it rain, I make you snow oh
Do you want me to stop, you tell me no oh,
your love so hard ... that the trees down on the floor

I want you to
oh you want me boy (take it off)
do you want me boy (girl Just kiss me),
Oh baby
(under the mistletoe)
And we can both say ... Christmas came today
And we can both say ... Christmas came today

I want you to
oh you want me boy (take it off)
do you want me boy (girl Just kiss me),
Oh baby
(under the mistletoe)

And we can both say...Christmas came today
And we can both say...Christmas came today
