(Chris Brown)

Uhuh uhuh (Good girl gone bad)

Uhuh uhuh (Take three Action)

Uhuh uhuh

No clouds in my storms

Let it rain, I hydroplane into fame (Eh eh)

Come'n down with the Dow Jones

When the clouds come we gone

We Rokafella (Eh eh)

We fly high to weather

And she rocks it better

You know me

An anticipation for precipitation, stack chips for the  
rainy day (Eh eh)

Jay, rain man is back with lil Ms. Sunshine

Rihanna where you at?

[VERSE 1]

You have my heart, and we'll never be a world apart

Maybe in magazines, but you'll still be my star

Baby cause in the Dark, You can't see a shiny Car

And that's when you need me there

With you I'll always share

Because

[CHORUS]

When the sun shines

We'll shine together

Told you I'll be here forever

Said I'll always be your friend

Took an oath Imma stick it out 'till the end

Now that it's raining more than ever

Know that we'll still have each other

You can stand under my Umbrella

You can stand under my Umbrella

Ella ella eh eh eh

Under my umbrella

Ella ella eh eh eh

Under my umbrella

Ella ella eh eh eh  
Under my umbrella  
Ella ella eh eh eh eh eh eh eh

[Chris]

You become another dream to me  
A fairytale fantasy  
Nothing can ever compare  
An image to my memory  
And girl I'm asking could you be my queen?  
A vision on a magazine  
That's when I'll be there  
It's something we both share  
Because  
When the sun shine well shine together  
You know I'll be here forever  
Although it's a not a rain outside  
Girl it's gettin late and you can stay the night  
But you can dip out anytime whenever  
I can call a car I aint tryna stress ya  
I'm looking for the one with the glass slippa'

Baby girl you can be my Cinderella (ella ella eh eh eh)  
You can be my Cinderella (ella ella eh eh eh)  
You can be my Cinderella (ella ella eh eh eh)  
You can be my cinderella (ella ella eh eh eh eh eh eh eh)

You can run into my arms

[Rihanna]

It's okay don't be alarmed

[Both]

Come in to me

[Rihanna]

There no distance in between (our love)

[Chris]

So go on and say my name some more

[Rihanna]

I'll be all you need and more

[Chris in a whisper]

(breaths deeply) you ready?

[Both]

Because

[Rihanna]

When the sun shines  
We'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath imma stick it out til the end

[Chris]  
But you can dip out anytime whenever  
I can call a cab I aint tryna stress ya  
I'm lookin for the one with glass slippa'  
Baby girl you can be my Cinderella (ella ella eh eh eh)

[Rihanna]  
Under my umbrella (ella ella eh eh eh)

[Chris]  
You can be my Cinderella (ella ella eh eh eh)

[Rihanna]  
Under my umbrella (ella ella eh eh eh eh eh eh)
