

## Chris Brown "Diagnosed With Love"

Visit "[Diagnosed With Love](#)" on MotoLyrics.com

I'm Starin At The Clock  
It's A Quarter To Three  
I'm Tossin In My Bed  
Cause I Jus Can't Sleep  
Cause You're Not Here With Me  
I'm Reachin Out For You  
I Wish I Could Talk To You  
Tryna Figure Out What's Goin On With Me  
I'm Use To Havin All The Answers For Everything  
Oh Girl  
I Think She Is The One  
But where is that comin from?

It's So Crazy  
Baby You Simply amazing  
So Much More Than Lately  
I Owe It All To You (Owe It All To You)  
All Those Games We  
Use To Play Now  
Seem So Lame To Me  
I'm comin down with this new disease  
All I Know Is That You Are The Cure  
Cause I Been Diagnosed With Love

Does Anybody Know The Answer To This Question

Cause I'm Confused  
So now im open for suggestions  
My Heart Is Talkin Loud (So Loud)  
What Is This About (About)  
I'm Really Changin Now, Oh  
Cleared All The Numbers Out My Phone  
Then Left That Whole Life Alone  
Those two Two Of The Symptoms I See  
And I Believe  
Oh Girl, I Am Sure  
That You Are My Miracle

It's So Crazy  
Baby You Simply Amazing  
So Much More Than Lately  
I Owe It All To You (Owe It All To You)

All Those Games We  
Use To Play Now  
Seem So Lamé To Me  
I'm Comin Down With This  
New Disease

All I Know Is That You Are The Cure  
Cause I Been Diagnosed With Love
