The memories we shared
Could last a man a lifetime
It's like truth to dare, when you're there.
And I'll admit that I'm scared
To lose you to another guy,
But it's up to you to decide who to love.
Tonight I'ma break my promise,
I know I said I'll set you free
But baby you told me to be honest,
Girl I need you here with me
So we can DO IT AGAIN,
DO IT AGAIN,
DO IT AGAIN
DO IT AGAIN
A whole life time cannot be enough
'cause I wanna love you baby
Over and over
And girl each time I see you shed a tear
I wanna wipe 'em all up
With my kisses and make you smile from ear to ear.
Tonight I'ma break my promise,
I know I said I'll set you free
But baby you told me to be honest,
Girl I need you here with me
So we can DO IT AGAIN
DO IT AGAIN
DO IT AGAIN
DO IT AGAIN
So we can DO IT AGAIN
DO IT AGAIN
Girl what are you running from?
I'm willing just to give you everything you want
Girl you are always number one,
I'm saying 'cause I know you're more than
wonderful
And my heart & your heart are as one,
And this love will never change
You & me forever.
So we can do it again.
