Intro:

I dont wanna go there.  
We should never go there.  
(Damn)  
Why you wanna go there.  
I guess i gotta go there.

Your hearing rumors about me  
And you cant stomach the thought  
Of someone touchin my body  
When your so close to my heart  
I wont deny what their sayin'  
Because most of it is true  
But it was all before i fell for you  
So please babe.

So please dont judge me  
And i wont judge you  
Cause it could get ugly  
Before it gets beautiful  
Please dont judge me  
And i wont judge you  
And if you love me  
Then let it be beautiful...

Let it be beautiful, oh oh  
Let it be beautiful.  
Let it be beautiful, oh ohh  
Let it be beautiful.

Everything i say right now  
Is gonna be used in another fight  
I been through this so many times  
Can we change the subject?  
You gunna start askin me questions like  
"Was she attractive? was she an actress?  
Baby the fact is ... "  
Your hearing rumors about me  
And saw some pictures online  
Sayin they got you so angry  
Making you wish you were blind  
Before we start talkin crazy

Sayin some things we'll regret  
Can we just slow it down  
Press Reset..... your beautiful  
(So baby.)

So please dont judge me  
And i wont judge you  
Cause it could get ugly  
Before it gets beautiful  
Please dont judge me  
And i wont judge you  
And if you love me  
Then let it be beautiful...

Just let the past, just be the past  
And focus on things thats gunna make us last, take me  
as who i am, not who  
I was, i promise ill be. the one that you can trust.

So please dont judge me  
And i wont judge you  
Cause it could get ugly  
Before it gets beautiful  
Please dont judge me  
And i wont judge you  
And if you love me  
Then let it be beautiful...

Let it be beautiful, oh oh  
Let it be beautiful.  
Let it be beautiful, oh ohh  
Let it be beautiful.

Yeaah yeah yeaah.

I dont wanna go there, baby  
We should never go there.
