[Kanye West]

Uh... Mr. West is in the building

Call the shrink up, they about to go crazyy

Hold your drinks up, like you was celebratinn

Hold your guns, if they is hella hatinn

I'm so clean, and them they got rabiess

I can see them through the lense of my rabie

And wait fast... MmmHm

'Ye do you play fair? MmmNnnn

Grab your remote, for the reason they made TiVO

Snap your Nikon's with the icons with Nike's on

I heard you like to do it wit the lights on

But I really make babies when the mics on

Check out all my kids, that bought all my cribs

Got me out that apartment

You have got to pardon him

I am so retarded with a spit like a retarded kid that spits

Ooops, I ain't mean to say that shit

I told my homie Chris, these chicks is dangerous

You need a girl that's A List

Not one that's just barely made it on a list

Cause from Wall To Wall

We got it Poppin' right now

It's a hundred girls, tryna get DOWN DOWN DOWN

[Chris Brown]

Baby girl, gotta tell you

Seen you somewhere before, You look familiar

You had a red shirt, Gucci slacks, and a Gucci bag to match

Tell me you remember that baby girl, but lady never  
mind that  
Can I take you out later? And here's my contact  
Can you do me this favor? Lemme spend this paper  
On you cause it's just sitting and lets just get it and go
