You turn me on,

You know your turning me, you know your turning me
on

Better wake up this sleepy head,

Big old world will pass us by,

So many things we could do instead,

Get what you want with your lucky eyes

Faster kill faster still pussycat

Those high heels are not your friends,

Honey you know where the world is at,

Come home with me when the party ends

Pussycat,

Heaven knows I tried to let you go,

I can't help myself you know I'm out of control
