Girl relax, I got your back  
Iâ€™ve never seen you put in the air like that  
Nibble a little bit, on your thigh  
I cuddle with it girl  
You remind me of my Jeep, ohâ€¦  
Let the neighbors hear you beep  
Girl when itâ€™s just you and me  
Imma put that ass to sleep

Scratch you back  
Bite your neck  
Welcome to the world of having sex  
Pick you up  
Take you down  
Then we gone go another round  
Baby, ohâ€¦  
And we can do this all night  
Take flight on cloud 9

Take you there  
Let me be your stairs  
Just put your legs in the air  
I want you to sit right there  
Imma be your chair  
And I'm going to rock your body slowly  
Do it like I owe you a  
Favorâ€¦ like a uh ohhâ€¦ yeah  
Favorâ€¦ like a uh ohhâ€¦ yeahâ€¦  
Favorâ€¦ like a uh ohhâ€¦ yeah  
And Iâ€™m going to rock your body slowly  
Do it like I owe you a

Itâ€™s amazing how faded  
I done got tonight  
Baby Iâ€™m crazy, love making  
All the new spots that Iâ€™ve found  
Banging on the bed bum bum bum  
Donâ€™t hurt your head bum bum bum bum bum  
Can I just kiss it, right...  
After I wear it out  
I want you toâ€¦

Scratch you back  
Bite your neck  
Welcome to the world of having sex  
Pick you up  
Take you down  
Then we gone go another round  
Baby, ohÂ...  
And we can do this all night  
Take flight on cloud 9

Take you there  
Let me be your stairs (let me be your stairs)  
Just put your legs in the air  
I want you to sit right there (ohÂ...)  
Imma be your chair  
And I'm going to rock your body slowly  
Do it like I owe you a  
FavorÂ... like a uh ohhÂ... yeah  
FavorÂ... like a uh ohhÂ... yeahÂ...  
FavorÂ... like a uh ohhÂ... yeah  
And IÂ'm going to rock your body slowly (yeahÂ...)  
Do it like I owe you a

I want you to beg for it  
You feigning cause you miss me  
Open up your legs more and  
Let me in  
I want in  
Wrap your arms around just love me  
Wrap your legs around just love me

Right there  
Like that, like that  
Whoa ohhÂ...

Take you there  
Let me be your stairs  
Just put your legs in the air  
I want you to sit right there (I donÂ't care)  
Imma be your chair  
And I'm going to rock your body slowly (and I donÂ't  
give a fuck yeahÂ...)  
Do it like I owe you a  
FavorÂ... like a uh ohhÂ... yeah  
FavorÂ... like a uh ohhÂ... yeahÂ...  
FavorÂ... like a uh ohhÂ... yeah  
And IÂ'm going to rock your body slowly (on the bed)  
Do it like I owe you a  
Do me a favor
