Weak

I have been crying and crying for weeks
How'd I survive when I can barely speak
Barely eat, On my knees

But that's the moment you came to me
You don't know what your love has done to me
Think I'm invincible
I see though the me I used to be

You changed my whole life
Don't know what your doing to me with your love
I'm feeling all super human, you did this to me
A super human heart beats in me
Nothing can stop me here with you
Super human (I feel so superhuman X2)
Super human

Strong

Since I've been flying and writing the wrongs
Feels almost like I've had it all along
I can see tomorrow

Well every problem is gone because
I flew everywhere with love inside of me
It's unbelievable to see how love can set me free

You changed my whole life (life)
Don't know what your doing to me with your love (uh-
huh)
I'm feeling all super human, you did this to me
A super human heart beats in me
Nothing can stop me here with you
Super human (I feel so superhuman X2)
Super human

It's not a bird, not a plane
It's my heart and it's going, gone away
My only weakness is you
Only reason is you
Every minute with you
I can feel like I can do anything

I'm Going going, gone away love

You changed my whole life (oh uh)

Don't know what your doing to me with your love (to me
with your love)

I'm feeling all super human, you did this to me, yeah

A super human heart beats in me

Nothing can stop me here with you

Super human
